

Why Hire a Lawyer for Your Business' Legal Moments?

3 in 4

Floridians have been faced with a civil legal issue in the past decade.

The Bureau of Labor Statistics projects that only **50.2%** of Florida small businesses will succeed as long as five years – don't leave your chances up to the flip of a coin.

"Retaining a lawyer would..."

- 91%** – Better protect my rights/interests
- 84%** – Result in better or more equitable outcomes
- 84%** – Reduce my stress

Represented Themselves

Your plate is already full with running a business...

Pro se litigants (representing themselves) have to do 200 discrete tasks for a single civil case

75% of Floridians consider the state's legal system difficult to navigate.

Business' Legal Moments may include:

- Starting the business
- Understanding tax law
- Buying or selling a property
- Drafting and managing contracts
- Fighting a wrongful termination claim
- Protecting intellectual property
- Handling an insurance claim
