

LEGAL ISSUES ARE COMMON, AND A LAWYER CAN SAVE TIME, STRESS, AND MONEY.

If you need help with...

- Buying or selling property
- Creating a will
- Fighting a wrongful termination
- Renting a home
- Handling an insurance claim
- Creating a custody arrangement
- Starting a business
- Caring for an older parent

... you should consider hiring a lawyer.

HIRE A LAWYER OR REPRESENT YOURSELF?

According to a recent survey, those who hired a lawyer in the past ten years for divorce or custody issues were 88% more likely to say they were satisfied with the outcome than those who represented themselves.

DID YOU KNOW?

There are nearly 200 tasks that self-represented litigants must perform in civil cases – from finding the right court to interpreting the law, filing motions, compiling evidence and negotiating a settlement.

Life's Legal Moments – For Small Business

FLORIDA LAWYERS ARE HERE TO HELP

LEGAL ISSUES ARE COMMON, AND A LAWYER CAN SAVE TIME, MONEY, AND HELP PROTECT YOUR SMALL BUSINESS.

If you need help with...

- Understanding tax law
- Drafting and managing contracts
- Choosing a proper business structure
- Leasing or buying a space
- Protecting intellectual property
- Starting a business
- Navigating employment laws
- Fighting a wrongful termination claim

... you should consider hiring a lawyer.

HIRE A LAWYER OR REPRESENT YOURSELF?

According to a recent survey, among Floridians who have represented themselves for employment matters, only 19% were satisfied with the outcome.

DID YOU KNOW?

For Florida small businesses, the Bureau of Labor Statistics projects a five-year success rate of only 50.2%. The Small Business Administration predicts that only one-third of small businesses started in 2020 will still exist in 2030.
